O'HARE CHICAGO

Welcome to Hyatt Regency O'Hare Chicago!

We look forward to ensuring your stay is as comfortable and pleasant as possible. Please take a moment to review our guest tranquility guidelines.

In an effort to provide a tranquil experience that all guests can enjoy their home away from home, we handle noise disturbances in the following manner.

- 1) The first disturbance will result in a verbal warning.
- 2) The second disturbance results in a final verbal notification and all non-registered guests, to that room, are asked to return to their rooms.
- 3) The third disturbance will result in all guests being removed from the hotel.

As stated above, in the event the hotel receives three noise disturbances for a single guestroom the hotel at its discretion will ask all occupants of the room to vacate the premises. *In an instance where guests are asked to leave there will not be reimbursement for room and tax.*

If you have any additional questions, please do not hesitate to contact our Front Desk associates for assistance.

Thank you,
Hyatt Regency Front Office/Security Team
